

Opening lyrics	Hold on	Let go	Title/artist
<i>I know there's pain Why do you lock yourself up in these chains?</i>			
<i>Foggy mornings, weekday grind Take a minute to free your mind</i>			
<i>I, I can't promise you that I won't let you down And I, I can't promise you that I will be the only one around</i>			
<i>I know it's past tense It's been a minute since we were a couple</i>			
<i>I met you in the dark, you lit me up You made me feel as though I was enough</i>			
<i>We've been here many times before Leaving rooms and slamming doors</i>			
<i>Didn't they always say we were the lucky ones? I guess that we were once, babe, we were once</i>			
<i>Stop, take it in and I - breathe for a minute, I think too much when I'm alone</i>			
<i>What's it gonna be? 'Cause I can't pretend Don't you want to be more than friends?</i>			
<i>The snow glows white on the mountain tonight Not a footprint to be seen</i>
