## I hope the New Year has started well for you, and that adjusting back into routines after the Christmas period has brought peace and hope for 2019.

As the Home for Good movement has grown over the last five years, we have been so grateful for the dedication, passion, support and work of our wonderful champions throughout the UK. Home for Good would not be all it is without your experience, stories and commitment to seeing children in homes where they can thrive. We have loved connecting with you, and we recognise the enormous value you have had in sharing your heart for fostering and adoption with others in your networks, churches and communities. Thank you for all you have contributed.

Home for Good is committed to our champions being a central part of our goal to find a home for every child who needs one. Champions are essential for so much of our work raising awareness of the needs of vulnerable children in churches, journeying with people who are considering fostering or adoption, facilitating peer-led support for foster, adoptive and kinship caring families, and advocating on behalf of looked after and care experienced children.

We know that circumstances and details change with house moves, work demands, and church or family life, and we understand that many of our champions will go through seasons when they are less involved with Home for Good while their capacity looks different. So at the start of 2019 we are taking the opportunity to confirm that you would still like to be a part of the Home for Good family as a champion, and to update your details so that we have a better idea of your current situation and how we can enable you to continue playing your part in the vision of a home for every child who needs one.

If you would like to continue as a champion, please can you complete the form enclosed and return it in the freepost envelope provided, or you can complete the form online at [homeforgood.org.uk/championform2019](http://homeforgood.org.uk/championform2019) if that's easier.

We completely understand if you are no longer able to commit to being a champion at this time, however we would still be grateful if you could complete the form so we can update your communication preferences accordingly. If this is the case, thank you so much for all you have done for Home for Good and please come back to us at any point if you feel able to take up the champion role again in the future.

Thank you for all you do to play your part for vulnerable children across the UK.

With every blessing,

Rachel Maclure
