

There are many parts

It's not good to compare yourself to other people. That's like comparing a foot and an ear on how good they are at hearing. It's just silly. We need to celebrate ourselves and each other for the different things. If this is something you find hard, then maybe talk to someone you trust about it.

“Now if the foot should say, “Because I am not a hand, I do not belong to the body,” it would not for that reason stop being part of the body. And if the ear should say, “Because I am not an eye, I do not belong to the body,” it would not for that reason stop being part of the body. If the whole body were an eye, where would the sense of hearing be? If the whole body were an ear, where would the sense of smell be? But in fact God has placed the parts in the body, every one of them, just as he wanted them to be. As it is, there are many parts, but one body.”

1 Corinthians 12:15-18, 20 NIV

Verse 18 of the passage says that God has placed all of the parts of the body just as he wanted them to be.

He's talking about you!

You are made just as God wanted you to be and the part that you play is super important.

Use the 'person template' that's in your pack and turn it into yourself. Then write on the back "just as God wanted"

DO IT!

What does the word 'value' mean?

Can you think of some things in your life that are valuable?

What does it mean that God says that YOU are valuable?

God thinks that you are so great that he wants to have a relationship with you. In a world of billions of people, God thinks you are so full of worth and so important that he wants to spend time with you!

Value
