

This verse tells us that we are part of the body of Christ along with everyone else!

List some people here who are close to you and write down what they bring to the world and what you like about them.

But God has put the body together, giving greater honor to the parts that lacked it, so that there should be no division in the body, but that its parts should have equal concern for each other. If one part suffers, every part suffers with it; if one part is honored, every part rejoices with it. Now you are the body of Christ, and each one of you is a part of it."

1 Corinthians 12:24-27 NIV

What do you take with you into the world?

Get a sheet of paper then carefully with some scissors (and asking a grown up for help if you need to) cut the piece of paper up into ten random pieces.

DO IT!

Write down in this arrow some of the things that you you can do.

Mix them all up and then try to put the pieces back together again.

All of the cut up pieces are totally different and amazing on their own, butt when you bring them together, they make something great!
