

Adoption Sunday Service Prayer

Loving God, perfect parent,
Thank you for all who foster, adopt and care for children.
Give them strength, patience and grace,
That they may know your presence in joy and in hard times.
Gracious God,
hear our prayer.

Loving God, perfect parent,
We pray for social workers, authorities and politicians.
Bless and lead all those who make decisions about children's lives.
Release provision, wisdom and compassion.
Steadfast God,
hear our prayer.

Loving God, perfect parent,
We pray that this church would be welcoming to vulnerable children
And a refuge for their families.
We ask that you would lead us to be loving and servant-hearted in supporting those who foster or adopt.
Father God,
hear our prayer.

Loving God, perfect parent,
We lift up approved foster carers and adoptive parents who are awaiting placements.
We ask your blessing and favour on those currently going through the assessment process.
Bless them with patience, hope and perseverance as they run the race marked out for them.
Faithful God,
hear our prayer.

Loving God, perfect parent,
We pray for all children in need of homes and care.
We ask you to meet them in their emotional, practical and spiritual needs.
Show us where we can be your hands and feet in answering this prayer.
Provider God,
hear our prayer.
