

Peer Support Volunteer Charter

Home for Good exists to find a home for every child who needs one. Core to this vision is an understanding that peer support is invaluable for those who care for children and young people with experience of the care system. We want this kind of support to be available to everyone; this is why Peer Support Volunteers are so important.

What is a Peer Support Volunteer?

- 1 Enquiry Peer Support Volunteers** offer one-on-one peer support, listening to and sharing their own experiences with people who enquire with Home for Good as they explore fostering, adoption or supported lodgings.
- 2 Peer Support Group Volunteers** facilitate a Home for Good Peer Support Group for parents, carers and/or hosts.

Peer Support Volunteers may also have the opportunity to practically support Home for Good by sharing their experiences at our information sessions, Foundations courses and other events for people exploring fostering, adoption and supported lodgings.
